Re: *City of New York v. EnviroMD Group LLC et al*, 1:24-cv-05161-GHW-JW

Dear Magistrate Judge Willis:

We represent Defendants Vape More and Vape Plus (“Defendants”) in the above-captioned matter. We write to request a one-week extension to submit our reply papers to the Plaintiff, The City of New York’s, Opposition to the Motion to Dismiss the Second Amended Complaint.

The original date to submit our reply papers was Friday, October 25, 2024. We request a one-week extension to file our reply papers on November 1, 2024. The Defendants have only once before requested an extension while this case has been pending in this court and that was to submit Defendants’ response to the Amended Complaint (*see* ECF No. 22). There were two additional agreements between the parties to extend the response date while this case was pending before the Supreme Court of New York, New York County. We request this extension in order to adequately respond to each point that the Plaintiff made in its 52-page brief. We requested The City of New York’s consent today, but have not yet heard back.

We appreciate your consideration of this request.

Thank you,

Ryan D. Callinan
